My dear Givens,

A certain Haim Finkelstein, an important and trusted member of the Palestine Communist Party was arrested in Jaffa in 1930. He was in possession of a rather obscure map, which it was thought might indicate the routes by which propaganda was distributed in Southern India and China.

*5 feet 4 inches?*  
Finkelstein was born at Kossov, Siedlce Poland in 1903. He is 153 cms. in height, with blond hair and brown eyes.

*? use the*  
A man named Burk who is known to you alias Finkelstein was recently in Vancouver, and it is known that in conversation with certain members of the Canadian Communist Party that unless the personnel of that Party in Vancouver made good, the subsidy to it would be withdrawn. It is reported that Burk alias Finkelstein was in China quite recently.

Have you any record of the man? and if

2.

not would you be good enough to ask the Chinese  
Passport authorities whether they have any record?

Yours sincerely,
